Electronic Components Division

To Our Valued Customers,

Announcement about the Discontinuation of Production

We would like to take this opportunity to thank you for your continued patronage.

This is official information that we will discontinue production and supply of the below products. We appreciate your understanding and cooperation on this matter. We would be glad that you would consider to choose our other products such as Surge Absorbers, Chip type Thermistors, Thermistor Sensors, Chip Antennas for Smart Meter, Non-contact Temperature Sensors, and other ceramics type electronic products.

Affected Part (Items):

Ring Varistor Series (ALL)
LC EMI Filters (ALL)
Chip Thermistors (TS and SC Series)

If you have any other questions or concerns about the details, please contact with sales division.

The relevant information on our website has to be deleted by the end of July 2012.

Thank you for your understanding.
