Certificate of REACH SVHC Non-Containment

Mitsubishi Materials certifies the electronic components shown in 2. Products below do not contain the substances listed in the target material list below.

1. Target material REACH SVHC (up to 30th SVHC list). Referenced at <http://echa.europa.eu/web/guest/candidate-list-table>

2. Products

FA44 Series	FA55 Series	DA53 Series
DE37 Series	DSS Series	High voltage DSS Series
CSA30 Series	CSA20 Series	High voltage DSP Series
DSP Series		

- ※ Lead is in the glass in each series but it isn't subject to SVHC because leaded glass is excluded.

Sincerely,

Yuji Mori
